- The Retirement Villages Act 1999 requires a retirement village scheme operator to:
 - provide a copy of the Village Comparison Document to a prospective resident of the retirement village within seven days of receiving a request
 - o include a copy of the Village Comparison Document with any promotional material given to a person, other than through a general distribution (e.g. mail-out)
 - publish the Village Comparison Document on the village's website so that the document, or a link to it appears prominently on each page of the website that contains, or has a link to, marketing material for the village
- You can access a copy of this Village Comparison Document on the village website at http://ormistonrise.com.au/
- All amounts in this document are GST-inclusive, unless stated otherwise where that is permitted by law.

Notice for prospective residents

Before you decide whether to live in a retirement village, you should:

- Seek independent legal advice about the retirement village contract there are different types of contracts and they can be complex
- Find out the financial commitments involved in particular, you should understand and consider ingoing costs, ongoing fees and charges (which can increase) and how much it will cost you when you leave the village permanently
- Consider any impacts to any pensions, rate subsidies and rebates you currently receive
- Consider what questions to ask the village manager before signing a contract
- Consider whether retirement village living provides the lifestyle that is right for you. Moving into a
 retirement village is very different to moving into a new house. It involves buying into a village
 with communal facilities where usually some of the costs of this lifestyle are deferred until you
 leave the village. These deferred costs when you leave your unit may be significant.
- Seek further information and advice to help with making a decision that is right for you. Some useful contacts are listed at the end of this document, including:
 - Queensland Retirement Village and Park Advice Service (QRVPAS) which provides free information and legal assistance for residents and prospective residents of retirement village. See www.caxton.org.au or phone 07 3214 6333.

The Queensland Law Society which can provide a list of lawyers who practice retirement village law. See www.qls.com.au or phone: 1300 367 757.

- By law, you must have a copy of the Village Comparison Document, the Prospective Costs
 Document, the village by-laws, your residence contract and all attachments to your residence
 contract for at least 21 days before you and the operator enter into the residence contract. This is
 to give you time to read these documents carefully and seek professional advice about your legal
 and financial interests. You have the right to waive the 21-day period if you get legal advice from
 a Queensland lawyer about your contract.

General Services Charge: Residents pay this charge for the general services supplied or made

Maintenance Reserve Fund contribution: Residents pay this charge for maintaining and repairing (but not replacing) the village's capital items e.g. communal facilities, swimming pool. This fund may or may not cover maintaining or repairing items in your unit, depending on the terms of your residence contract.

The budgets for the General Services Charges Fund and the Maintenance Reserve Fund are set each financial year and these amounts can increase each year. The amount to be held in the Maintenance Reserve Fund is determined by the operator using a quantity surveyor's report.

Note: The following ongoing costs are all stated as weekly amounts to help you compare the costs of different villages. However, the billing period for these amounts may not be weekly. There can be rounding differences when expressed on a weekly basis when compared to a yearly basis.

new contracts	Exit fees are calculated as a percentage (set out in the applicable exit fee table below) of your Standard Ingoing Contribution, according to your Exit		

Fee Period, regardless of whether the Standard Option or 20% Discount Option applies to you.

The applicable exit fee table depends on the lease option that applies to you (see Item 9.2).

In this document, "Exit Fee Period" means the period from (and including) the commencement date of your lease to (and including) the later of:

- (a) the date you cease to reside in the unit pursuant to termination of your lease; and
- (b) if your relative (within the meaning of the *Retirement Villages Act* 1999 (Qld)) has a right to reside in the unit under section 70B(2) of that Act, the sooner of the day the relative vacates the unit or the day that is 3 months after the date on which your right to reside in the unit under the lease is terminated.

For simplicity, this document and any Prospective Costs Document given to you assume that the date of occupation of your unit and the commencement date of your lease are the same date, and that you cease to reside in the unit on the last day of the Exit Fee Period. However, this is subject to the terms of your residence contract and the *Retirement Villages Act 1999 (Qld)*.

The minimum exit fee is 1 day/365 days (1 day/366 days in a leap year) of 9% of your Standard Ingoing Contribution, if the period of occupation is 1 day.
